ADDITIONAL NOTES:

1. Applications for all zoning changes and overlay approvals are available at <https://city.milwaukee.gov/ZoningApplications>. We strongly encourage you to reach out to DCD Planning (PlanAdmin@milwaukee.gov) to discuss your application prior to submitting it.
2. Minor modifications to PD and deviations to overlays that were established after July 5, 2019: Follow expedited schedule dates and deadlines noted above.
3. Exhibit submittal deadline for CPC denotes submission of complete exhibits that have incorporated staff comments and are in their final form. We strongly recommend that you submit draft exhibits or meet with DCD staff to review documents several weeks (depending on complexity of the project) in advance of the exhibit submittal deadline.
4. Earlier CPC submittal deadlines may be requested in certain instances based on the scope and complexity of a particular project.
5. If need for an expedited schedule is demonstrated, it may be possible to expedite the ZND public hearing if approved by the Chair of ZND and the local alderperson at least 3.5 weeks prior to the ZND meeting, and DCD Planning staff concurs that an expedited schedule is appropriate.
6. All deadlines are subject to change. All required documentation is due by 4:45 pm (close of business) on the date noted in the schedule, unless otherwise specified.
7. If your zoning change entails land that is currently zoned industrial or has past industrial uses and you are proposing to utilize the land as residential, additional environmental review might be required prior to the issuance of a Certificate of Occupancy pursuant to Common Council File No. [231338](#) and Ch. [200](#) of the Milwaukee Code of Ordinances (see 200-26 & 200-42).
